Education

University of Denver / Full-Stack Web Development
OCT 2022 - APR 2023, Denver, CO

The University of Denver's full-stack web development bootcamp is an immersive training program that provides students with the skills and knowledge needed to build dynamic web applications from scratch. These programs typically cover a wide range of topics, including front-end development (HTML, CSS, JavaScript, and various frameworks like React), back-end development (Node.js, databases, and APIs), and deployment strategies.

Metropolitan State University of Denver / B.S. Integrative Health Care (IHC)
AUG 2013 - DEC 2019, Denver, CO

IHC teaches evidence-based practices that blend modern science with ancient healing traditions such as botanical and ayurvedic medicines. Students learn about factors affecting health and wellbeing, analyze Western Healthcare paradigms, and gain knowledge of human health, disease, healing practices, and research methods.

Experience

Medtronic, Inc. / Payment Specialist
AUG 2021 - PRESENT, Remote

Manage all aspects of clinical trial payments, including handling invoices, payment contracts, and setting up healthcare providers for payment. Work closely with cross-functional teams to ensure timely and accurate payment processing and compliance with regulatory guidelines. In addition, develop and maintain documentation related to clinical trial payments and provide guidance to internal and external stakeholders on clinical trial payment processes and procedures.

Therapy & Beyond / Registered Behavioral Therapist
JAN 2020 - AUG 2021, Centennial, CO

Implement behavior reduction and skill acquisition treatment plans that utilize behavior analysis to provide behavioral improvement for children with developmental challenges associated with Autism Spectrum Disorder (ASD). Through intensive treatment plans, work to create observable differences in the behavior of approximately 15 children aged 2-17. Responsible for recording and collecting data on patients' daily progression and creating reports to inform treatment plan advancement.

Inngi Spa / Location Coordinator
JAN 2019 - SEP 2020, Highlands Ranch, CO

Expand the client base through effective phone, email and in-person communication. Develop and execute social media marketing campaigns, resulting in increased engagement and sales growth. Collaborate with team members to deliver exceptional customer service and maintain a clean and welcoming spa environment.
